1.       B     A       E           B  
I cried unto The Lord with my voice  
      B     A       E     B  
With my voice unto the Lord  
      B     A       E     B  
Did I make my supplication  
      D     C     G               D
2.       D     C     G               D  
I poured out my complaint before him  
      D     C     G               D  
I shewed before him my trouble  
      D     C               G           D
3.       B     A       E     B  
When my spirit was overwhelmed within me  
      B     A               E     B  
Then thou knewest my path  
      B     A               E     B  
In the way wherein I walked  
      B     A               E           B  
Have they privily laid a snare for me  
      D     C     G               D
4.       D               C     G               D  
I looked on my right hand and beheld  
      D               C     G               D  
But there was no man that would know me  
      D               C     G               D  
Refuge failed me no man cared for my soul  
      B     A       E     B
5.       B     A       E     B  
I cried unto thee O Lord I said  
      B     A       E     B  
Thou art my refuge and my portion  
      B     A       E     B  
In the land of the living  
      D     C     G     D
6.       D     C     G     D  
Attend unto my cry  
      D     C               G     D  
For I am brought very low  
      D     C               G     D  
Deliver me from my persecutors  
      B     A       E     B  
For they are stronger than I  
      B     A       E     B
7.       B     A       E     B  
Bring my soul out of prison  
      B     A       E     B  
That I may praise thy name  
      D               C               G     D  
The righteous shall compass me about  
      D               C               G     D  
For thou shalt deal bountifully with me :| 2X
