1. C7 G7 C7 G7  
Shadows creeping around the room  
C7 G7 C7 G7  
Faucets weeping next to the broom  
A7 D7 A7 D7  
Creaking walls by a long dark hall  
A7 D7 A7 D7  
No one calls and I start to fall

C. C G C G  
Then my mind calls out to you  
C G C G  
And I know just what to do  
A D A D  
Sing a song recite a poem  
A D A D  
In not too long the good times roam

2. C7 G7 C7 G7  
But then the shadows come once again  
C7 G7 C7 G7  
I can't help wondering are bad times to begin  
A7 D7 A7 D7  
There's been so much pain and grief  
A7 D7 A7 D7  
Isn't it time to find some relief

3. C7 G7 C7 G7  
Life's a balance of good and evil  
C7 G7 C7 G7  
To grow cotton there will be weevils  
A7 D7 A7 D7  
So keep in mind as we travel along  
A7 D7 A7 D7  
Troubles and trials make us strong

4. C7 G7 C7 G7  
But even knowing pain is for our good  
C7 G7 C7 G7  
Doesn't make it easier to walk through the woods  
A7 D7 A7 D7  
We get to learn lessons again  
A7 D7 A7 D7  
And again and again and again and again

5. C7 G7 C7 G7  
We carry more weight as we learn to endure  
C7 G7 C7 G7  
Reminding ourselves we can stumble for sure  
A7 D7 A7 D7  
So we journey on watching each step with care  
A7 D7 A7 D7  
Looking in the shadows helps us dare
